REMEMBER AFRICA

WORLD COMMUNITY FUNDING SUMMIT*2015

We are dedicated to educating & healing Communities; inspiring, financing and motivating students and entrepreneurs worldwide with initial personal or business investment through RA Programs serving as a Springboard and providing them with that Initial Investment through blueprints of Free Professional Training Seminars and Productive Shares on how to put a viable and successful project together and commercialize it through RA international Network with RA-AGOA-USA or RA-NECOM-USA, and other private or public partners.

We believe that a good strategic partnership for poor and medium communities can truly help to provide Peoples with a better life while eradicate Poverty, Famine, Darkness in urban, rural and developing countries around the World.

We need everyone of US to help bring his/her corner stone's to the building of the Minority that happens to be the majority in poverty, jobless and hunger with NO Education. Your Sponsorship with RA will be outstandingly and prestigiously uplifting in accomplishing the Mission of Poverty and Famine Eradication that no one wishes to face or to get involved with especially in some dark places of the USA, Europe, Africa and Asia.

We are calling upon you to do SOMETHING to help us better assist our communities who are nobody else than our own brothers, sisters, friends, fathers and mothers, children to avoid seeing our World collapsing under the weight of Injustice, Hatred and Global Warming. All MUST receive this call with no embarrassment or shame.

RA Community Funding Summit 2015 is to bring the World together, as usual, to think about our Collapsing World at this time with so many inequalities and inintegrities in the fields of Education and Socio-Economic-Development mostly in the Minorities communities. Yes Our World "Virtual" or not Virtual! "Rich" or Poor, "Black or White", Yellow or Blue.

Our World is indeed collapsing in front of our own eyes. And we choose to close up all hoping it happens only to others...things will just disappear...NOP! Things won't change Ladies and Gentlemen...And guess what this is our World. Our Planet that is getting worse every day with more hatred and discrimination of all kinds. And we all must share responsibilities NOW.

So, come with us and let's mutually share what will improve our Prosperity as We stand as a long wrapping chain around our necks. Deeply knowing that if One falls, it'll be just a matter of time before all of us go down in the same way. Let's share LIFE! Let's share our RESPONSIBILITIES and enjoy a better View of our Planet! There's NO Planet B. This is it! DO SOMETHING GOOD TODAY TO HELP SOMEONE YOU DON'T NEED TO KNOW. JUST BECAUSE HE/SHE IS A HUMAN OF OUR PLANET.
